**Product Discontinuation Notice**

Dear Valued Customer,

This letter is to inform you of the discontinuation of a product you have previously purchased from Maxtec. The part number R211P39-004 will no longer be offered due to rationalization of low-volume parts. We understand that the discontinuation of this part may cause inconvenience to your daily operations. While we do not offer a direct replacement to the R211P39-004, we do have a portfolio of alternative blenders (<https://www.maxtec.com/delivery/mixers-blenders/>) that will enable you to continue serving your customer quality products.

The discontinuation will go into effect immediately. Please contact your Maxtec Sales Representative or [customerservice@maxtec.com](mailto:customerservice@maxtec.com) with any additional questions.

**DISCONTINUED PARTS**

- R211P39-004 - MAXVENTURI,HIGH FLOW,NIST, LOCKING CLAMP

Kind Regards,

Chidi Bosah,

Senior Product Manager, Maxtec
