

# Frequent Buyer Program

SENSING

ANALYSIS

DELIVERY

Maxtec is pleased to announce the continuation of our successful Frequent Buyer Program. Oxygen sensors, similar to batteries, generally contain small amounts of lead. The Frequent Buyer Program allows Maxtec to reward our loyal customers for continued use while helping to dispose of sensors in an environment-friendly way.

## TO PARTICIPATE IN OUR FREQUENT BUYER PROGRAM:

1. Print this page and complete all fields below the dotted line. Your completed form will need to be returned along with your used sensors in order to qualify for the program.
2. Once you have gathered 12 used Maxtec oxygen sensors, place them in a sealable bag with this form.
3. Include the bag of used sensors along with your completed Frequent Buyer Program form in a box or padded envelope and ship it back to Maxtec at:  
Maxtec  
Frequent Buyer Program  
2305 South 1070 West  
Salt Lake City, UT 84119
4. Upon receipt of your used sensors, we will send back to you a **FREE SENSOR** of your choice. \*(Please be sure to indicate which sensor you would like to receive on the form below). Must be a hospital Ship-to, cannot be combined with any other offer.

\*Free sensor valued less than or equal to \$200. Program terms subject to change or termination without notice. Program not available for international customers.
