Sensor Packaging Change Notification

This notice is to inform you of a change to a product you've ordered from Maxtec. Due to a supply change for the blister packs typically used to package the sensor **listed below**, Maxtec will package these sensors in container style packaging going forward. The new container packaging has a twist lid. Blister packs that are typically used are shown in the left image below and the right image shows the new packaging. This change will take effect 3 weeks from the date of this notification.

We apologize for any inconvenience this may cause. Please contact your Maxtec Sales Representative with any questions or concerns by **March 15, 2021**.
