## “My Sign O” Product Availability Change Notice

Dear Valued Customer,

This letter is to inform you of a delay in the availability of a product you've previously purchased from Maxtec. Due to an ongoing technical revision of the MySign O Oxygen Monitor (part number **R124P08**), we are unable to fulfill orders of this product at this time. We will inform you as soon as this product becomes available again. We apologize for any inconvenience this may cause.

For your immediate needs, an alternative product we can offer in place of the MySign O is the MaxO2 ME (part number **R230P01**) or for customers outside of the US, our MaxO2 ME International (part number **R230P01-001**). This product is pictured below and you can find more information about it at [www.maxtec.com/product/analysis/oxygen-analyzers/maxo2-me/](http://www.maxtec.com/product/analysis/oxygen-analyzers/maxo2-me/).

Please contact your Maxtec Sales Representative with any additional questions.
